

Next Best Voice Over Artist Competition Scripts

You have 4 scripts to pick from.

You only need to do one of them per entry but you're welcome to enter as many times as you like with different scripts. (Max 4 entries)

In your video first introduce yourself and then go straight into the read. The more seamless you make this transition the better. Be creative, if you want to add emotion, movement, music or anything you want to add to this to make it sound better, you may do so.

Once you have recorded your clip post it on any social media platform (Twitter, Facebook, Instagram, TikTok) using the #NextBestVoiceOverArtist and tag @WezaThatGuy and @Hisensesa
